SPECIAL ANNOUNCEMENT

7th July 2024

CLARIFICATION AND RESPONSE TO UNSCRUPULOUS SOCIAL MEDIA COMMENTS

We refer to the above-mentioned matter. It has come to our attention that a group of social media users on platforms such as Facebook, Instagram, and TikTok have been deliberately spreading negative comments and fake news unrelated to our clientele. These actions appear to be targeted towards our company, Mono Digital Sdn Bhd. Unfortunately, in their attempt to disrupt our business, they have intentionally targeted our esteemed client, who is in no way involved in this matter. These negative comments should be disassociated from the products or clients that we are managing, including but not limited to Elba, Faber & Rubine.

On July 5th, 2024, at 11:00 am, we have lodged a police report at SeaPark Petaling Jaya. The police are currently investigating the case and tracking the origin of these comments via IP addresses, profile creation details, and other relevant information, in collaboration with the Malaysian Communications and Multimedia Commission (MCMC).

Henceforth, any unscrupulous or negative comments posted by these individuals will be reported to the respective social media platforms. We will also ensure that such comments are blocked by our clients and associated brands.

We sincerely apologize to our esteemed clients for this unforeseen incident and are working diligently with the authorities to resolve this matter promptly.

Should you require further information, please do not hesitate to contact us at hello@monodigital.my.

Thank you.

From the Management of Mono Digital Sdn Bhd.
